

Product Information Sheet

Catalog Number: 10-C24

Name: Cyclooxygenase 2 (COX 2), rat

Host: mouse

Immunogen: full length recombinant protein-COX 2

Clone #: M9909232

Subclass: IgG₁

Concentration: 1 mg/ml

Affinity Constant: n/a

Cross Reactivity: specific for rat COX 2

Form: purified mouse IgG in PBS buffer with 0.05% NaN₃.

Storage: 4°C short term only, for routine storage, aliquot and freeze at -20-C

Remarks: recommended use: EIA

Unit: 100 µg
